

Modernize Your Desktop

UPDATE YOUR IP PHONES TO ACHIEVE MORE

Now is a great time to modernize your desktop and create a new collaborative work experience for your company. Your employees want better integration with their smartphones, access to HD video, color screens, and higher access speed, while being “greener” and using up to 60% less power.

Cisco IP Phones offer:

Select Models:	 8845	 8865	 8851	 8861	 8841	 7841
